PRESS STATEMENT.FROM THE PREMIER (MR. DUNSTAN)

The South Australian Government has agreed to subsidise on a one for one basis the cost of developing Victoria Park in Peterborough, the Premier and Minister of Development, (Mr. Dunstan) announced today.

Mr. Dunstan said that the Corporation of the Town of Peterborough had an ambitious scheme for the development of this area as a flora and fauna park with an associated lake and museum and he commended the Council on its foresight and imagination in the planning and development of the park.

"The Council has already spent \$3,600 without subsidy in initial development and the Government is pleased to be able to assist in the continuance of the project which is in line with its policy of encouraging important tourist and community development projects in country areas."

Mr. Dunstan said that he expected that the work for which the grant had been given will be completed by April, 1971.
